Greetings

Four New Richmond Area organizations (The City, School District, Community Foundation and The Centre) are working together this fall to better coordinate and provide effective recreation opportunities for citizens in our area. To help us develop a recreation plan, we are asking for community input via an online survey which can be accessed through this link:

[CLICK HERE](#) to take the survey

The survey will help us as we work together to create recreation options for our community by establishing priorities and gaining insight into areas for improvement. The survey will take approximately 5 minutes to complete. Your responses will be confidential and anonymous. **Please complete the survey by October 15.**

Your input will help ensure that New Richmond has high quality, effective and efficient recreation options for many years to come.

Thank you for your time. You will hear more about our planning work later this fall.

Sincerely,

Darian Blattner
Executive Director
The New Richmond Area Centre

Mike Darrow
City Administrator
